

PacTrainer™ Online Interactive Training - Subscription Service

What's included in the Online Interactive Training Subscription Service?

- Train your students with access to a library of over 250 online training courses. Choose from a one- or two-year subscription. Pricing varies based on the number of concurrent students.
- Up-to-date library: As a subscriber, you will have immediate access to updated and new courses for the life of your subscription.
- Free access to our Training Recordkeeping tools.
 - Create and manage your own custom training sessions.
 - Add/edit student information.
 - Schedule & record a training session and report training activity.
 - The Recordkeeping tools combine your Online Training records and your classroom-based training activity.
