

PacTrainer™ Video Subscription Service

What's included in the Video Subscription Service?

- Access to an entire video library of over 100 full-length, video-based training programs.
- Access to all supplemental material including Instructor Guides, PowerPoints, Image libraries, Classroom Handouts and Quizzes.
- Each program contains the main video and bonus segments (when available).
- Remote viewing capability: Enables you to provide video access to your off-site learners.
- Up to date library: As a subscriber, you will have immediate access to updated and new programs for the life of your subscription.
- Free access to our Training Recordkeeping tools.
 - Create and manage your own custom training sessions.
 - Add/edit student information.
 - Schedule & record a training session and report on training activity.
 - The Recordkeeping tool can also combine your Online Training records (if you are using our Online Training) and your classroom-based training activity.
